

Spring Newsletter

LIFELINE
PARTNERSHIP
2024

Spring at Lifeline was filled with many incredible events! This newsletter highlights what we have done and what is to come for Lifeline Partnership!

The Daily Digest

Our Executive Director continues to engage community businesses, DC government agencies, developmental disability agencies, and advocates. We have partnered with DC Project ACTION! for quarterly meetings and programming. We have successfully obtained funding through grants to reinstate a new and improved Healthy Body and Cooking Class this fall. As always, volunteers are on the forefront of our agenda to expand the community based Faith with Friends Bible study. We have seen an immense growth with between 60-110+ attendees at our events.

Past Events

Lifeline had a blast celebrating Mardi Gras with a masquerade party like we were in the heart of New Orleans. We enjoyed dressing up, delicious food, and of course dancing! We had a great time celebrating and jamming out with DJ Enyaphace.

Our Spring Bling! & BBQ Fundraiser celebration was one of our most popular events with over 100 attendees. To celebrate the season we had an amazing time playing games, dancing, winning fabulous raffle prizes, and the cuisine was divine. It was great seeing the community come together and create lifelong memories.

Lifeline and Project ACTION! hosted an engaging and informative employment expo. Attendees had the opportunity to learn at employment workshops, meet developmental disability agencies, and discover community volunteer opportunities.

2024 Developmental Disabilities Awards Highlights

Congratulations to Our Award Winners!

Volunteer of the Year- Ralph Gainer

Caregiver of the Year-Tito Mazali

George Harshaw, Jr. Participant of the Year - Janeek

Mascaro

Harlan Oelke Award for longtime service and

commitment to Lifeline- Jennifer Nye

What's New

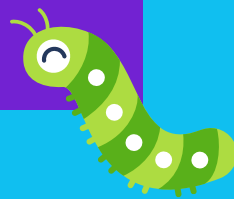

This summer we welcomed our two new summer interns Alex Loux and Jane Pinsky!

Alex is very excited to be joining Lifeline Partnership as an intern this summer! She is currently a rising junior at George Washington University where she is double majoring in Human Services and Social Justice (HSSJ) and History with a minor in American Studies. Alex is from Harrisburg, Pennsylvania and in the future she plans on pursuing a career in the human services field.

Jane Pinsky is an upcoming third-year student at American University, majoring in Business Administration and minoring in Jewish Studies. Jane is from Deerfield, Illinois, and has experience in the nonprofit sector. She has a strong passion for fundraising and advocacy and is eager to join the Lifeline Partnership team as a summer intern.

Development

Lifeline continues with our fundraising efforts, which help us put on our incredible events and encourage the growth and friendship among adults with developmental disabilities in our community. We appreciate your continued support and are grateful for your ongoing generosity that is necessary to support our immense growth in attendance this past season.

What's Next

Lifeline's event calendar is full of incredible events for the rest of the year. We will continue to have bi-monthly online and monthly in-person events. See what's coming up on our event calendar. We hope to see you at one or all of our exciting events!
